Krista,

I can meet Tuesday afternoon at 4:15. The Mining/Back 40 talk is going on until 4:15 in the Illinois Room. And then the TBD Happy Hour at 4:30ish. I don't really have an agenda, more just wanted to meet in-person.

Tim

Hi Tim,

I'm free at noon on Wednesday but it looks like melanie is not. I'm also free at 2 but I'd have to cut out at like 2:20 so that is not very good, but at least melanie looks to be free at that time. I did not know that there was happy hour on the agenda! I can meet at 4:15 on Tuesday though, do you know if there are rooms reserved on the 12th floor for meetings?

Krista,

How about Tuesday around 3pm, during that break time. Or 4:15 or so: Join the group for happy hour that is in the agenda? I do not think I can make the Mining session on Tuesday from 3:15-4:15 because I will be in the TIAO/Liaison Discussion during part of that time. Or I can meet up Wednesday anytime around 11:15-2:30. Do any those work?

Thanks,
Tim

Melanie, Krista

For Thursday's call: I would like to hear more on EPA's Back 40 comments to MDEQ. I have read some of the comments, and I think they echo many comments/thoughts that others have. What are the next steps for Aquila & Michigan? I know MDEQ has 90-days to respond.

Any updates on Highland's Copperwood Wetlands or Air permits? Eagle's Humboldt Tailings Disposal Facility NPDES permit amendment?

Will you two be around next week at TEPM? Just curious, so that I can introduce myself face to face.

Thank you,
Tim
